

NOYCE SCHOLARS PROGRAM

Interested in STEM?

(Science, Technology, Engineering, or Math)

You could earn a \$15,000 scholarship per year through the Dordt Noyce Scholars Program for your junior and senior year. Major in science, engineering, or math education, and teach for two years in a high-need school district.

700 7TH ST NE
SIOUX CENTER, IOWA 51250-1606
